MESSAGE FROM OUR PRESIDENT:

Greetings from the Night Group,

We are entering the New Year with prospects of an increase in membership and activities. Anyone who knows of a program they would like presented to the group or a speaker, please contact Howard White and let him work it into our schedule.

Our July meeting falls on July 4th. Because of the difficulty in rescheduling and possible conflicts in getting our meeting room, we have decided to skip the July meeting.

Glenn Johnson gave the February program on the contents and utilization of the genealogy section of our public library. We have much to be thankful for in the library and owe a debt of gratitude to the Staff and especially the contributions to our fine library.

Howard has scheduled the meeting of April 4th as "Show and Tell" month. This has always been an interesting meeting. This gives us a chance to show some of our family or area's history with the rest of the group. Please make plans to bring something to share.

The National Park Service is creating a database of all Civil War soldiers. This will be a great help to genealogists. It will be implemented at the park Service Civil War sites and later at larger libraries. Volunteers are needed to enter the information provided by the Park Service onto computer disks. Hardware requirements are IBM compatible computer with hard drive at least 512 KB of Ram and Dos version 3.0 or higher. A pack of cards can be entered in one evening. Interested persons should contact the Alabama Coordinator: Mrs. Hoyt Smith, 2685 Ready Section Road, Toney, Alabama 35773. Phone (205) 420-3985.

We are pleased with the good attendance and want to again thank the telephone committee. Please invite your guest, they are always welcome.

Walter E. Dockery

STEPHEN COLE A REVOLUTIONARY SOLDIER

Stephen Cole was a Captain in the Revolution. His pension number is S3176 filed in Robertson County, Tennessee. He was born on 16 May 1760 in Anson County, (later to become Richmond County), North Carolina, and died 5 June 1840 in Robertson County, Tennessee. He states in his pension application that " I resided in Richmond County, North Carolina until I removed to Robertson County, Tennessee. From Robertson County, Tennessee, I removed to **TUSCALOOSA, ALABAMA**, where I remained three or four years, then removed back to Robertson County, where I now reside. I have lived in Robertson County, Tennessee, in all upwards of twenty years. I was called into service first as a substitute for my father, John Cole". Stephen filed for his pension on 10 Nov 1832, at age 73. A letter in his file was from his great-grandson, S.P. Cole, dated 7 Aug 1887. In that letter he states that Stephen Cole moved from North Carolina to Robertson County, Tennessee, in 1806; that he had fathered 10 children "all of whom are dead except one--the youngest--who is now about 80 years of age." Stephen Cole had a brother James Cole, who filed for his pension in Carrol County, Tennessee. These applications were taken from: *North Carolina Genealogical Society Journal, November 1955.*

HOLLEY CEMETERY (maybe **SMITH CEMETERY**)....Located in Hale County, Alabama. This cemetery is in the Ingram quadrangle in section 31 of township 22 north range 6 east. It is located on a private hunting club and is very well kept. This cemetery I have copied may not be "Holley" cemetery! Local residents call it SMITH cemetery, but I have gone by what the maps say. The layout is very scattered, so I just began copying fast because it was a hot day. If anyone would like more information or pictures of the tombstones, write to: STEVEN YATES, 3707 McFarland Blvd. E., Tuscaloosa, AL 35405.
